v.

AMYRIS, INC., et al.,

Defendants.

Case No. 4:19-cv-01765-YGR

**NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION
AND SETTLEMENT HEARING THEREON**

TO: ALL PERSONS OR ENTITIES WHO PURCHASED THE COMMON STOCK OF AMYRIS, INC. ("AMYRIS")
DURING THE PERIOD MARCH 15, 2018 THROUGH MARCH 19, 2019, INCLUSIVE.

A federal court authorized this Notice. This is not a solicitation from a lawyer.

PLEASE READ THIS NOTICE CAREFULLY. YOUR RIGHTS MAY BE AFFECTED BY PROCEEDINGS IN THIS LITIGATION. IF YOU ARE A CLASS MEMBER, YOU MAY BE ENTITLED TO SHARE IN THE PROCEEDS OF THE PROPOSED SETTLEMENT DESCRIBED IN THIS NOTICE. TO CLAIM YOUR SHARE OF THIS FUND, YOU MUST SUBMIT A VALID PROOF OF CLAIM POSTMARKED ON OR BEFORE OCTOBER 25, 2022.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
SUBMIT A CLAIM FORM NO LATER THAN OCTOBER 25, 2022	The only way to get a payment.
EXCLUDE YOURSELF NO LATER THAN OCTOBER 18, 2022	Get no payment. This is the only option that potentially allows you to be part of any other lawsuit against Defendants about the legal claims in this case.
OBJECT NO LATER THAN OCTOBER 18, 2022	Write to the Court about why you do not like the Settlement.
GO TO THE SETTLEMENT HEARING ON NOVEMBER 8, 2022	Speak in Court about the fairness of the Settlement.
DO NOTHING	Get no payment. Give up rights.

- **Security and Time Period:** Amyris common stock purchased during the period March 15, 2018 through March 19, 2019, inclusive.
- **Settlement Fund:** \$13,500,000.00 in cash, plus all interest or income earned thereon. Your recovery will depend on the amount of Amyris common stock you purchased, the timing of your purchases and sales, if any, the number of eligible shares that participate in the Settlement, and when those shares were purchased and sold, if at all.¹ Plaintiffs and Defendants disagree on liability and damages. Based on the information currently available to the Class Representative and the analysis performed by its damages consultant, it is estimated that if Class Members submit claims for 100% of the common stock estimated to be eligible for a distribution under the proposed Plan of Allocation (described in Question 8 below), the estimated average distribution will be approximately \$0.23 per eligible share of stock, before deduction of Court-approved fees and expenses, including the cost of settlement administration, any attorneys' fees and expenses awarded by the Court to Plaintiffs' Counsel, and any reimbursement awarded by the Court to the Class Representative for his representation of the Class. Historically, actual claim rates are less than 100%, which results in higher distributions per share. The payment you get will reflect the percentage of the Net Settlement Fund that your Recognized Loss bears to the total of the Recognized Losses of all Authorized Claimants.
- **Reasons for Settlement:** The Settlement resolves claims against Defendants for alleged violations of the federal securities laws that have been pending since 2019. Defendants deny all allegations of wrongdoing. The Settlement provides the Class with a substantial benefit now (namely \$13.5 million, plus interest), as compared to the risk that a smaller or no recovery would be achieved after engaging in years of further litigation – including contested motions, trial, and likely appeals, in which Defendants would have the opportunity to challenge and assert defenses to Plaintiffs' claims. In light of the amount of the Settlement and the immediacy of recovery to the Class Members, the Class Representative and Plaintiffs' Counsel believe that the proposed Settlement is fair, reasonable and adequate, and in the best interests of the Class.

¹ All otherwise undefined terms have the definitions set forth in the Stipulation and Agreement of Settlement (the "Stipulation"), executed by the Parties on July 21, 2022.

- **Fees and Expenses:** Plaintiffs' Counsel have been prosecuting this litigation on a wholly contingent basis since its inception and have not received any payment for attorneys' fees, or reimbursement of out-of-pocket expenses advanced, in connection with their representation of the Class (including, but not limited to, investigating the facts, drafting and filing the complaints, responding to Defendants' motions to dismiss, successfully appealing the district court's dismissal of Plaintiffs' claims, issuing numerous subpoenas to third-parties with relevant information, reviewing millions of pages of documents produced by Defendants and third parties during discovery, seeking and obtaining an order certifying the action as a class action, and negotiating the Settlement). Plaintiffs' Counsel will ask the Court for attorneys' fees not to exceed 25% of the Settlement Fund and reimbursement of out-of-pocket expenses not to exceed \$400,000 to be paid from the Settlement Fund. Additionally, Plaintiffs' Counsel intend to ask the Court for discretionary awards not to exceed \$7,500, each, to reimburse the Class Representative and Lead Plaintiff for costs and expenses related to their direct representation of the Class. If the above amounts are requested and approved by the Court, the average cost will be approximately \$0.06 per eligible share of Amyris common stock.

1. Why Did I Get This Notice Package?

You or someone in your family may have purchased Amyris common stock during the period March 15, 2018 through March 19, 2019, inclusive (the “Class Period”).

The Court directed us to send this Notice because, as a potential Class Member, you have a right to know about the proposed Settlement, and about all of your options. Additionally, you have the right to understand how a class action lawsuit may generally affect your legal rights. See Question 3 below. If the Court approves the Settlement, the Claims Administrator appointed by the Court will issue payments to those persons who timely submit valid claims in the manner described herein.

This package explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the case is the United States District Court for the Northern District of California, the Honorable Yvonne Gonzalez Rogers presiding, and the case is known as *Carbone v. Amyris, Inc., et al.* Case No. 4:19-cv-01765-YGR (N.D. Cal).

2. What Is This Lawsuit About?

Plaintiffs allege that Amyris, John G. Melo (CEO), and Kathleen Valiasek (former CFO) (collectively “Defendants”), violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 by materially misrepresenting Amyris’s financial results, its royalty revenues, and the effectiveness of its internal control over financial reporting. Plaintiffs allege that these materially false or misleading statements created artificial inflation in the price of Amyris common stock during the period March 15, 2018 through March 19, 2019, inclusive. Plaintiffs allege that the true facts began to reveal themselves on November 13, 2018, when Defendants announced disappointing third quarter royalty revenues that missed previous projections by \$15 million. Plaintiffs allege that the truth was further revealed on March 19, 2019, when Amyris disclosed that it would be unable to timely file its annual report due to Defendants’ continued evaluation of Amyris’s internal control over financial reporting, which could result in material deficiencies being reported. Following these disclosures, the price of Amyris’s stock fell nearly 30% and 20%, respectively.

Defendants, individually and collectively, have denied and continue to deny all of the claims and contentions of any wrongdoing. Defendants contend that they did not make any materially false or misleading statements and that they disclosed all material information required to be disclosed by the federal securities laws. Defendants also contend that any losses suffered by members of the Class were not caused by any allegedly false or misleading statements by Defendants.

Plaintiffs and Defendants disagree on liability and damages. Plaintiffs believe that, if the Class prevailed on all of their claims for the entire Class Period and if the Court fully accepted their theory of damages, the Class could have potentially received a jury award of up to \$73.17 million, before deductions for fees and expenses. Defendants deny that they are liable to the Class and deny that the Class has suffered any damages. Defendants assert that even if Plaintiffs were to prove the other elements of their claims, the Class Period presented by Plaintiffs is unsupported and should end months earlier, that Plaintiffs have overestimated the number of eligible shares, and that only a fraction of the losses claimed by Plaintiffs were actually caused by the alleged misrepresentations as opposed to other factors. The Settlement resolves all certified claims against Defendants.

3. Why Is This a Class Action?

A class action is a type of lawsuit in which the claims of a number of individuals are resolved together, thus providing the class members with both consistency and efficiency. Once the class is certified, the court must resolve all issues on behalf of the class members, except for any Persons who choose to exclude themselves from the class. Here, all class members, together, are called the Class or Class Members.

In a class action, a person called a class representative sues on behalf of people who have similar claims. The Court has certified this Action to proceed as a class action, has appointed plaintiff Vincent Carbone to serve as the class representative (“Class Representative”), and has approved Federman & Sherwood to serve as class counsel on behalf of the Plaintiffs (“Class Counsel”).

4. Why Is There a Settlement?

The Court did not decide in favor of Plaintiffs or Defendants. Instead, the Parties have negotiated a settlement that they believe is in the best interests of their respective clients. The Settlement allows both sides to avoid the risks and cost of lengthy and uncertain litigation and the uncertainty of a trial and appeals, and permits eligible Class Members to be compensated without further delay.

The proposed Settlement was arrived at through lengthy, arms'-length negotiations (including two full-day mediation sessions) and was the result of a proposal by a neutral mediator who had considered the various legal, evidentiary, and economic aspects of the Action. Class Representative and Class Counsel agreed to the terms of the proposed Settlement after considering the results of their factual and legal investigation, and the strengths and weaknesses of the claims and defenses asserted in the Action. Based upon that evaluation, among other things, Class Representative and Class Counsel concluded that the terms and conditions of the proposed Settlement are fair,

reasonable and adequate to the Class, and that it is in the best interests of the Class to settle the claims alleged in the Action pursuant to the terms and provisions of the Stipulation.

5. How Do I Know If I Am Part of the Settlement?

The Class includes all persons or entities who purchased shares of Amyris common stock during the period from March 15, 2018 through March 19, 2019, inclusive, and were damaged as a result. The Class excludes the Defendants, officers and directors of Amyris, members of the immediate families of the individual Defendants, and affiliates of the corporate Defendant.

6. Are There Exceptions to Being Included in the Settlement?

Yes. Excluded from the Settlement are Defendants, officers and directors of Amyris, members of the immediate families of the Individual Defendants, and affiliates of Amyris. Also excluded from the Settlement are those Persons who timely and validly request exclusion from the Settlement pursuant to this Notice.

7. What Does the Settlement Provide?

Defendants have agreed to cause their insurers to pay \$13,500,000.00 in cash in settlement of the Action (the "Settlement Amount"). The Settlement Amount, plus interest or income earned thereon from the date it is established (the "Settlement Fund"), less costs, fees, and expenses (the "Net Settlement Fund"), will be divided among all eligible Class Members who submit valid Proofs of Claim and whose claim for recovery has been allowed pursuant to the terms of the Stipulation ("Authorized Claimants"). Costs, fees, and expenses include Court-approved attorneys' fees and expenses, the costs of notifying Class Members, including the costs of printing and mailing this Notice and the cost of publishing the Publication Notice, the costs of claims administration, and Taxes on the Settlement Fund.

8. How Much Will My Payment Be? What is the Plan of Allocation?

The Net Settlement Fund will be distributed to Class Members who submit valid, timely Proof of Claim and Release forms ("Claimants") under the Plan of Allocation described below.

The Plan of Allocation set forth herein is the plan that is being proposed by Class Representative and Class Counsel (in consultation with Plaintiffs' damages expert) to the Court for approval. The Plan of Allocation reflects an assessment of the damages that Plaintiffs' damages expert estimates could have been recovered had the Plaintiffs prevailed at trial. The Court may approve this Plan of Allocation as proposed or it may modify the Plan of Allocation without further notice to the Class. Any orders regarding a modification of the Plan of Allocation will be posted on the settlement website, www.AmyrisSecuritiesLitigation.com.

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund to those Class Members who suffered economic losses as a result of the alleged misrepresentations and omissions of the Defendants, as opposed to losses caused by market or industry factors or other company-specific factors. In developing the Plan of Allocation, Plaintiffs' damages expert calculated the potential amount of estimated artificial inflation per share of Amyris's common stock, based on closing prices, that was proximately caused by Defendants' alleged material misrepresentations and omissions. The Plan of Allocation takes into account the growing inflation in the price of Amyris common stock during the Class Period.

Under the Plan of Allocation, a "Recognized Loss" will be calculated as set forth below for each purchase or acquisition of an eligible share of Amyris common stock during the Class Period. The calculation of a Recognized Loss will depend upon several factors, including (i) when the shares were purchased or otherwise acquired, in what amount, and the price paid; and (ii) whether the shares were sold, and if so, when, and for what price and in what amount.

Based on the foregoing, and for purposes of this Settlement only, the Plan of Allocation for distributing the Net Settlement Fund is as follows:

1. For each share of Amyris, Inc. ("AMRS") common stock purchased during the period March 15, 2018 through November 13, 2018, inclusive and:
 - a) Sold prior to the close of trading on November 13, 2018, the Recognized Loss is \$0.00.
 - b) Sold during the period November 14, 2018 through March 19, 2019, inclusive the Recognized Loss shall be the lesser of a) the difference between the inflation per share on the date of purchase and the inflation per share on the date of sale, as set forth on Table A (below); or b) the difference between the purchase price per share and the sale price per share.
 - c) Sold during the period March 20, 2019 through June 18, 2019, inclusive the Recognized Loss shall be the least of a) the inflation per share on the date of purchase, as set forth on Table A (below); b) the difference between the purchase price per share and the sale price per share; or c) the difference between the purchase price per share and the mean trading price per share beginning March 20, 2019 through the date of sale, as set forth on Table B (below).

- d) Held as of the close of trading on June 18, 2019, the Recognized Loss shall be the lesser of a) the inflation per share on the date of purchase, as set forth on Table A (below); or b) the difference between the purchase price per share and \$3.27 per share.²
2. For each share of Amyris, Inc. (“AMRS”) common stock purchased during the period November 14, 2018 through March 19, 2019, inclusive and:
- a) Sold prior to the close of trading on March 19, 2019, the Recognized Loss is \$0.00.
- b) Sold during the period March 20, 2019 through June 18, 2019, inclusive the Recognized Loss shall be the least of a) the inflation per share on the date of purchase, as set forth on Table A (below); b) the difference between the purchase price per share and the sale price per share; or c) the difference between the purchase price per share and the mean trading price per share beginning March 20, 2019 through the date of sale, as set forth on Table B (below).
- c) Held as of the close of trading on June 18, 2019, the Recognized Loss shall be the lesser of a) the inflation per share on the date of purchase, as set forth on Table A (below); or b) the difference between the purchase price per share and \$3.27 per share.

ADDITIONAL PROVISIONS

For all purposes, the transaction date and not the settlement date shall be used as the date for determining the eligibility to file a claim, and the calculation of Recognized Losses. All purchases and sales of shares of Amyris, Inc. stock shall be accounted for and matched using the first-in-first-out (FIFO) method of accounting. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero (\$0.00).

To the extent that a Claimant suffered an overall actual market loss on his, her, or its overall transactions in Amyris common stock during the Class Period, but that actual market loss is less than the total Recognized Loss calculated above, then the Claimant's Recognized Loss shall be limited to the amount of the actual market loss.

Each Authorized Claimant shall recover his, her, or its pro rata share of the Net Settlement Fund. If the prorated share calculates to less than \$10.00, it will be removed from the calculation and it will not be paid.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement.

Each Claimant shall be deemed to have submitted to the jurisdiction of the United States District Court for the Northern District of California with respect to his, her, or its Proof of Claim form.

9. How Do I Participate in the Settlement?

Each Person wishing to participate in the distribution of the Net Settlement Fund must timely submit a valid Proof of Claim establishing membership in the Class, and include all required documentation. The Proof of Claim must be submitted or postmarked (if mailed) on or before October 25, 2022. The Proof of Claim may be electronically submitted online at www.AmyrisSecuritiesLitigation.com or mailed to the address set forth in the Proof of Claim. Read the instructions carefully, fill out the form, include all the documents the form asks for, sign it, and submit it on or before October 25, 2022.

Unless the Court otherwise orders, any Class Member who fails to submit a Proof of Claim on or before October 25, 2022, shall be fully and forever barred from receiving payments pursuant to the Settlement, but will in all other respects remain a Class Member and be subject to the provisions of the Stipulation that is approved, including the terms of any judgment entered and releases given.

Persons that are excluded from the Class by definition or that exclude themselves from the Class will not be eligible to receive a distribution from the Net Settlement Fund and should not submit a Proof of Claim.

10. When Will I Receive My Payment?

The Court will hold a hearing on November 8, 2022 to decide whether to approve the Settlement, the proposed Plan of Allocation, and Fee and Expense Application. If the Settlement is approved by the Court, and upon satisfaction of the other conditions to the Settlement, including the expiration of the time for the filing of any appeals, the Net Settlement Fund will be distributed to Authorized Claimants in accordance with the Plan of Allocation approved by the Court.

The claims administration process takes time. Please be patient.

11. What Rights Am I Giving Up by Remaining in the Class?

Unless you exclude yourself, you are staying in the Class, and that means that you cannot sue, continue to sue, or be part of any other lawsuit against the Defendants or the “Releasees” about the “Settled Claims,” including “Unknown Claims.” It also means that all of the Court’s orders will apply to you and legally bind you and, in return for your participation in the Settlement, you will release your claims in this case against the Defendants and the Releasees. The terms of the release are included in the Proof of Claim that is enclosed.

12. What If A Class Member Is Deceased?

Under the Settlement, the authorized legal representative(s) of a Class Member may receive a recovery on behalf of the deceased Class Member.

13. What If I Bought Shares of Amyris Common Stock On Someone Else’s Behalf?

If you purchased shares of Amyris common stock during the Class Period for the beneficial interest of a Class Member, you must either (a) send a copy of the Notice Postcard to the beneficial owner(s) of the common stock within seven (7) days from the receipt of the Notice, and provide written confirmation to the Claims Administrator of such transmittal, or (b) provide the Claims Administrator with the names and addresses of such beneficial owner(s) within seven (7) days from the receipt of the Notice Postcard, in which event the Claims Administrator will promptly mail the Notice Postcard to such beneficial owner(s). The Claims Administrator will provide nominees with additional copies of the Notice Postcard upon request. Nominees may seek reimbursement of their reasonable administrative costs and expenses actually incurred in searching their records to find the names and addresses of beneficial owners and for mailing the Notice Postcard by providing the Claims Administrator with proper documentation supporting the expenses for which reimbursement is sought.

Copies of the Notice and Proof of Claim can be obtained from the website maintained by the Claims Administrator, www.AmyrisSecuritiesLitigation.com, by calling the Claims Administrator toll-free at 1-855-917-0546.

If you do not want a payment from the Settlement, but you want to keep the right to sue or continue to sue one or more of the Defendants on your own for the Settled Claims in this case, then you must take steps to get out of the Class. This is called excluding yourself from, or is sometimes referred to as opting out of, the Class.

14. How Do I Exclude Myself from the Settlement?

If you do not want a payment from the Settlement, but you want to keep the right to sue or continue to sue one or more of the Defendants on your own for the Settled Claims in this case, then you must take steps to get out of the Class. This is called excluding yourself from the Class. If you are requesting exclusion because you want to bring your own lawsuit based on the matters alleged in the Litigation, you may want to consult an attorney and discuss whether any individual claim that you may wish to pursue would be time-barred by the applicable statutes of limitations or repose.

To exclude yourself from the Class, you must send a letter by first-class mail to the Claims Administrator so that it is received by October 18, 2022, stating that you want to be excluded from *Carbone v. Amyris, Inc., et al.*, No. 4:19-cv-01765-YGR (N.D. Cal.). You must include: (a) the name, address, and telephone number of the Person requesting exclusion; (b) the Person’s purchases and sales of Amyris common stock, including the dates, the number of shares, and price paid or received per share of stock for each such purchase or sale; (c) documented proof of the Person’s purchases and sales such as account statements or stock certificates; and (d) a signed statement that the Person wishes to be excluded from the Class. No request for exclusion will be considered valid unless all of the information described above is included in any such request.

Any Person who wishes to exclude him/her/itself from the Class must submit a valid and timely Request for Exclusion to:

EXCLUSIONS
P.O. Box 5100
Larkspur, CA 94977-5100

You cannot exclude yourself on the phone, by fax, or by email. If you ask to be excluded, you are not eligible to receive any Settlement payment, and you cannot object to the Settlement, or any part of it.

15. If I Do Not Exclude Myself, Can I Sue the Defendants for the Same Thing Later?

No. Unless you exclude yourself, you give up any right to sue the Defendants and the Releasees for all the Settled Claims in the Settlement. If you have a pending lawsuit against any of the Defendants, speak to your lawyer in that case immediately. Remember, the exclusion deadline is October 18, 2022.

16. If I Exclude Myself, Can I Get Money from this Settlement?

No. If you exclude yourself, do not send in a Proof of Claim. However, you may sue, continue to sue, or be part of a different lawsuit, involving the Settled Claims against the Defendants. Once you exclude yourself, you will receive no cash payment even if you also submit a Proof of Claim.

THE LAWYERS REPRESENTING YOU

17. Do I Have a Lawyer in this Case?

The Court appointed Federman & Sherwood (Class Counsel) to represent you and other Class Members. If you want to be represented by your own lawyer, you may hire one at your own expense.

18. How Will the Lawyers Be Paid?

To date, Plaintiffs' Counsel have not received any payment for their services in conducting this litigation on behalf of the Class and have not been paid for their substantial out-of-pocket expenses. Plaintiffs' Counsel, including Class Counsel, will ask the Court for an award of attorneys' fees not to exceed 25% of the Settlement Fund and for the reimbursement of out-of-pocket expenses not to exceed \$400,000, which were incurred in connection with the Action. Such sums as may be approved by the Court will be paid from the Settlement Fund.

The attorneys' fees and expenses requested, to the extent they are awarded by the Court, will be the only payment to Plaintiffs' Counsel for their efforts in achieving the Settlement and for their risk in undertaking this representation on a wholly contingent basis. The fees requested, if awarded, will compensate Plaintiffs' Counsel for their work and risk in achieving the Settlement. Plaintiffs' Counsel believe that these fees are well within the range of fees awarded to class counsel under similar circumstances in other cases of this type.

19. How Do I Tell the Court that I Do Not Like the Settlement?

If you are a Class Member, you can object to the Settlement if you do not like any part of it, including the proposed Plan of Allocation, request for attorneys' fees and reimbursement of out-of-pocket expenses, and request for a reimbursement award to the Class Representative. You can state why you think the Court should not approve it. The Court will consider your views.

You can ask the Court to deny approval by filing an objection. You can't ask the Court to order a different settlement; the Court can only approve or reject the settlement. If the Court denies approval, no settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object.

Any objection to the proposed settlement must be in writing. If you file a timely written objection, you may, but are not required to, appear at the Final Approval Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for hiring and paying that attorney. All written objections and supporting papers must (a) clearly identify the case name and number *Carbone v. Amyris, Inc., et al.*, No. 4:19-cv-01765-YGR (N.D. Cal), (b) be submitted to the Court either by mailing them to the Class Action Clerk, United States District Court for the Northern District of California, 1301 Clay Street, Suite 400 S. Oakland, CA 94612, or by filing them in person at any location of the United States District Court for the Northern District of California, and (c) be filed or postmarked on or before October 18, 2022.

Be sure to include: (a) your name, address, and telephone number; (b) your purchases and sales of Amyris common stock, including the dates, the number of shares, and price paid or received per share of stock for each such purchase or sale; (c) documented proof of the Person's purchases and sales such as account statements or stock certificates; (d) your signature; and (e) the reasons for your objection.

You may file a written objection without having to appear at the Settlement Hearing. You may not, however, appear at the Settlement Hearing to present your objection unless you first filed and served a written objection in accordance with the procedures described above, unless the Court orders otherwise.

If you file an objection to the proposed Settlement, proposed Plan of Allocation, and/or the Fee and Expense Application you also have a right to appear at the Settlement Hearing either in person or through counsel hired by you at your own expense. If you wish to be heard orally at the hearing in opposition to the approval of the proposed Settlement, the proposed Plan of Allocation, or the Fee and Expense Application, and if you file and serve a timely written objection as described above, you must also file a notice of appearance with the Clerk's Office and serve it on Plaintiffs' Counsel at the address set forth above. Persons who intend to object and desire to present evidence at the Settlement Hearing must include in their written objection or notice of appearance the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the hearing.

Unless the Court orders otherwise, any Class Member who does not object in the manner described above will be deemed to have waived any objection and shall be forever foreclosed from making any objection to the proposed Settlement, the proposed Plan of Allocation and the Fee and Expense Application.

20. What is the Difference Between Objecting and Excluding?

Objecting is telling the Court that you do not like something about the proposed Settlement or any part of it, including the proposed Plan of Allocation, and Fee and Expense Application. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class or the Settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

21. When and Where Will the Court Decide Whether to Approve the Settlement?

The Court will hold a hearing to decide whether to approve the proposed Settlement, the proposed Plan of Allocation, and/or the Fee and Expense Application (the "Settlement Hearing"). You may attend and you may ask to speak, but you do not have to.

The Settlement Hearing will take place at 2:00 p.m. on November 8, 2022, at the United States District Court for the Northern District of California, Courtroom 1, 1301 Clay Street, Oakland, CA 94612. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. Judge Gonzalez Rogers will listen to people who have asked to speak at the hearing. See Question 19, above. The Court will also decide whether to approve the proposed Plan of Allocation and the payment of fees and expenses to Plaintiffs' Counsel. The Court may decide these issues at the hearing or take them under consideration and decide them at a later time. We do not know how long these decisions will take.

The Court may adjourn or continue the Settlement Hearing without further notice to the Class. If you intend to attend the Settlement Hearing, you should confirm the date and time with Class Counsel.

22. Do I have to Come to the Settlement Hearing?

No. Class Members do not need to attend the Settlement Hearing; thus, you are not obligated to attend. Class Counsel will answer any questions Judge Gonzalez Rogers may have. Moreover, the Court will consider any submission made in accordance with the provisions in this Notice even if the Class Member does not attend the hearing. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. See Question 17, above.

23. May I Speak at the Settlement Hearing?

You may ask the Court for permission to speak at the Settlement Hearing. To do so, you must send a letter saying that it is your intention to appear in *Carbone v. Amyris, Inc. et al.*, Case No. 4:19-cv-01765-YGR (N.D. Cal). Be sure to include: (a) your name, address, and telephone number; (b) your purchases and sales of Amyris common stock, including the dates, the number of shares, and price paid or received per share of stock for each such purchase or sale; (c) documented proof of the Person's purchases and sales such as account statements or stock certificates; and (d) your signature. Your notice of intention to appear must be filed with the Court at the address above (see Question 19) prior to the date of the Settlement Hearing, and be sent to the Plaintiffs' Counsel, and Defendants' Counsel, at the addresses below.

<p><u>Counsel for Plaintiffs</u></p> <p>William B. Federman, Esq. A. Brooke Murphy, Esq. FEDERMAN & SHERWOOD 10205 N. You cannot speak at the hearing if you exclude yourself from the Class.

24. What Happens if I Do Nothing at All?

If you do nothing, you will receive no money from the Settlement. But, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendants and other Releasees about the Settled Claims in this case.

25. How Can I Get More Information?
